**Subject: Ohio EPA Approval – IA Workplan Amendment No. 10
Former Satralloy Site, Jefferson County**

Dear Ms. Nielsen:

Ohio Environmental Protection Agency (Ohio EPA) has completed its review of *Amendment 10 to the Interim Action Workplan*¹ for the former Satralloy Site, located in Jefferson County, Ohio. The amendment was submitted to Ohio EPA by Cypress Amax Minerals Company on January 25, 2024. The amendment includes a description of the removal basis and engineering design plans for the consolidation of slag from former chromium processing operations into a single onsite stockpile. The stockpile will be covered and vegetated using natural soil materials, and maintained in a manner that is protective of public safety, human health, and the environment.
